

**V.O.I.C.E. BULLETIN**  
**Virginians Organized for Interfaith Community Engagement**

**V.O.I.C.E. ACTION with Gov Tim Kaine**  
**Monday, July 20<sup>th</sup>**  
**7:00 Arrival Time/7:30 Start Time**  
**Location TBA \*\***

*Here's what we know and what you can publicize with your institutional leaders and constituents:*

- Focus of the Action: Access to dental care for low-income adults in Virginia; delays in processing applications for citizenship & permanent residency by US Immigration & Citizenship Services.
- Confirmed Guest: Gov. Tim Kaine
- Invited: Senators James Webb and Mark Warner
- Location: Seminary Road area of Alexandria or S. Arlington\*\*

**V.O.I.C.E. Institutions have committed over 500 people for this action! It is especially important that you confirm your delegation for this unusual (weeknight) action. PLEASE make sure to include members and constituents who need dental care or have experienced delays in processing their citizenship, permanent residency or asylum applications.**

Also be prepared so that your floor team leaders are able to:

- report on your dues commitment and payment to date for 2009
- announce the number of new leaders/core team leaders who will attend the V.O.I.C.E. summer training sessions the following week (see attached flier)

Save the Date: Final Run-Through for the Action will be Thursday, July 16<sup>th</sup> at the action location. 1-2 floor team leaders for the action should attend so they can organize your institution's full participation.

\*\* Location update: we are in negotiations with the Governor's staff about an appropriate location; final announcement will be made before the July 4<sup>th</sup> holiday.
